EDGD 73rd Midyear Conference

Berkeley, CA

January 6 – 8, 2019

EDGD Midyear Website:

The 73rd midyear website is hosted on our webpage this year, and we plan to complete registration and payment ourselves. The website has been updated as needed, registration was completed via google forms, and payment is being processed through Paypal.

General update:

Regular maintenance of the webpage has been completed as needed, awards posted and plaques/certificates prepared, documents posted. Funds for a student worker continue to help get conference proceedings posted and indexed each summer.

Respectfully Submitted,

Jennifer McInnis
