

February 2024

February Highlights for EDG Division Members

ASEE EDGD – Division Survey Results

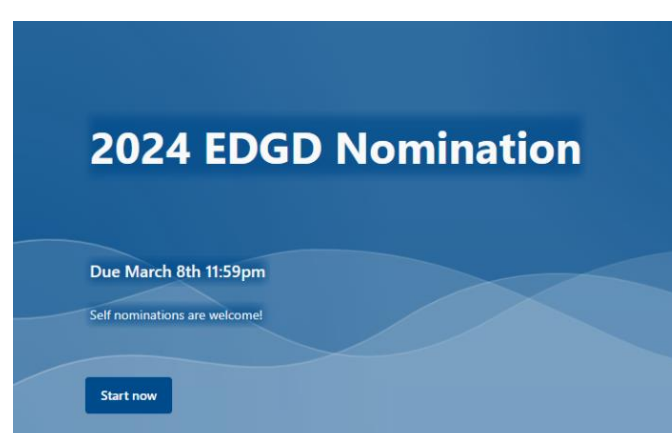

In the Fall 2023, the EDGD leadership team called for input from our division members to facilitate the program planning for future years. Thank you to all of you who had responded to the survey. Please click the button below to read the aggregated survey results.

2024 EDGD- Call for Nomination

Engineering Design Graphics Division seek volunteers and nominations for upcoming vacancies for vice-chair and secretary-treasurer on the EDGD executive committee. These roles will commence their terms in June 2024, following our annual conference. The duties, responsibilities, and requirements for these positions are outlined in our [by-laws](#).

To submit a nomination for any of these positions, please click the figure or fill out the form: [NOMINATIONS](#) by *Friday, March 8th at 11:59 pm (EST)*. Self-nominations are welcome!

Dimensioning and Tolerancing Survey (IRB -2023-1274)

We are a multi-institution team conducting a research study exploring the current state of dimensioning and tolerancing pedagogy in post-secondary classrooms. We are seeking survey responses from faculty and/or staff who teach a course(s) that includes topics such as, dimensioning, tolerancing, metrology, and/or technical standards in context to product specification. Relevant course titles might include descriptors such as:

- Engineering Drawings/Graphics
- Geometric Dimensioning & Tolerancing (GD&T)
- Computer-Aided Design (CAD)
- Computer-Aided Manufacturing (CAM)
- Computer-Aided Engineering (CAE)
- Model-Based Definition (MBD)
- Product Design Specification
- Quality Control/Assurance

We ask that you forward this email to any colleagues who you believe should be part of the study population. Instructors of these courses and yourself if applicable, can participate in the research study by clicking the [SURVEY](#) or scanning the QR code above.

Thank you for your assistance!

Engineering Design Graphics Journal Call for Manuscripts

The Engineering Design Graphics Journal is the peer-reviewed, indexed journal that serves as the official publication of the American Society for Engineering Education, Engineering Design Graphics Division. The Journal is published one volume per year with individual articles published upon acceptance by the review board.

You are invited to submit unpublished manuscripts for consideration of publication. Articles are devoted to the fundamentals of engineering graphics education and graphics technology.
